State of the Science Workshop on Wildlife
and Offshore Wind Energy Development

Public Open House and Poster Session

November 13, 2018
7:00 p.m. – 8:30 p.m.

Somerley Room, The Inn at Fox Hollow,
7755 Jericho Turnpike, Woodbury, NY 11797

Please join the New York State Energy Research and Development Authority (NYSERDA) for an event focused on wildlife science and management in relation to offshore wind energy development.

Interact with engaged scientists and managers about their work, including state and federal agencies, universities, non-profit research organizations, and for-profit companies involved with offshore wind energy development.

This event is free and open to the public, and does not require prior registration.
